

EASTERN CADDIE ACADEMY

For Young Women

The Eastern Caddie Academy provides summer caddie opportunities to under-resourced high school students who ultimately hope to pursue a Platt Evans Scholarship. During the summer, students are transported to caddie jobs at clubs in the Philadelphia area.

Participants are chosen during their freshman year of high school, based on outstanding academics, leadership and character. Through the Caddie Academy, students have the chance to earn money, meet role models and learn invaluable life lessons on the golf course. After successfully completing three summers, they become eligible to apply for the Platt Evans Scholarship, a full tuition and housing college scholarship to Penn State University.
